FRANCE 19-20 MAY 2017  
LEMAN'S TRACK

NOTHING'S IMPOSSIBLE  
JUST BELIEVE IT

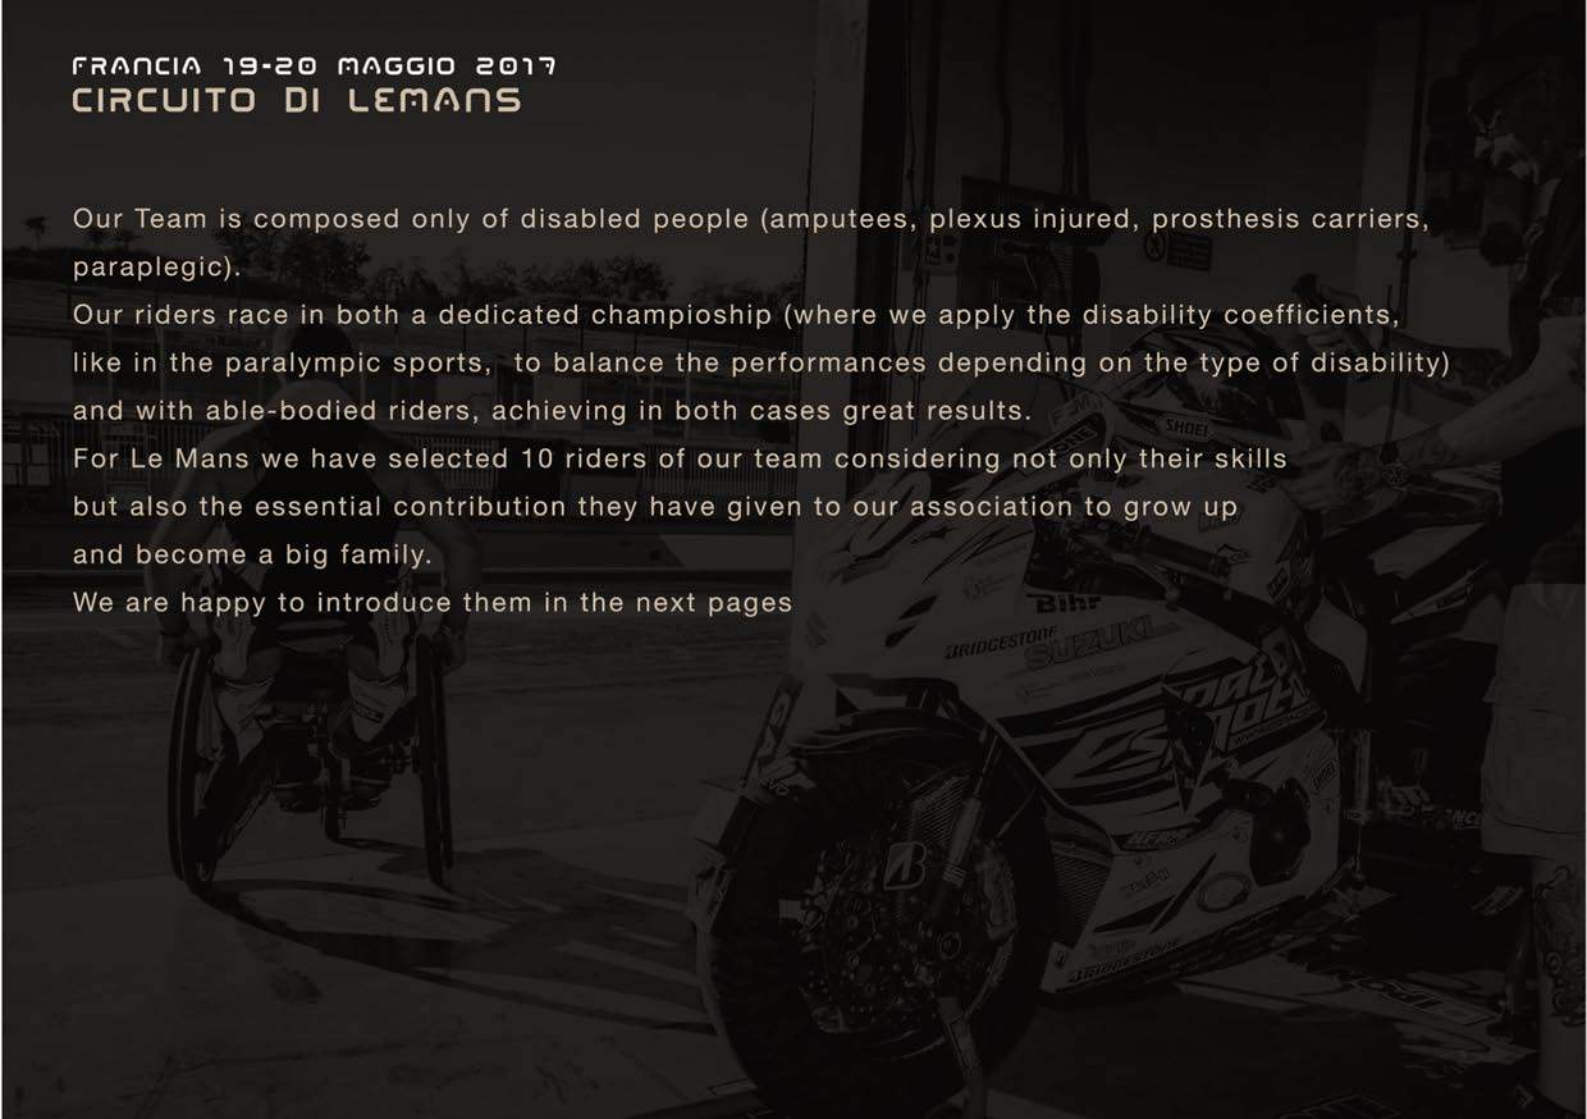

## FRANCIA 19-20 MAGGIO 2017 CIRCUITO DI LEMANS

Our Team is composed only of disabled people (amputees, plexus injured, prosthesis carriers, paraplegic).

Our riders race in both a dedicated championship (where we apply the disability coefficients, like in the paralympic sports, to balance the performances depending on the type of disability) and with able-bodied riders, achieving in both cases great results.

For Le Mans we have selected 10 riders of our team considering not only their skills but also the essential contribution they have given to our association to grow up and become a big family.

We are happy to introduce them in the next pages

The background is a dark, monochromatic image. It appears to be a close-up of a hand holding a pen, poised to write on a document. The document has large, bold, sans-serif text in Italian. Visible words include "CIAO MAMA", "GUARDA", "COME MI", and "DIVERTO". The lighting is dramatic, with the hand and pen being the primary light sources, creating strong highlights and deep shadows. The overall mood is one of creative focus and rebellion, which aligns with the text of the speech.

"Think different  
Here's to the crazy ones.  
The misfits.  
The rebels.  
The troublemakers.  
The round pegs in the square holes.  
The ones who see things differently.  
They're not fond of rules.  
And they have no respect for the status quo.  
You can quote them, disagree with them,  
glorify or vilify them.  
About the only thing you can't do is ignore them.  
Because they change things.  
They push the human race forward.  
While some may see them as the crazy ones,  
we see genius.  
Because the people who are crazy enough to think  
they can change the world, are the ones who do."
